

**DICKERSON AGGREGATES, INC.**

A COMPANY OF THE DICKERSON GROUP, INC.

November 7, 2008

**Notice of New Pricing and Procedures  
Pricing Effective November 10, 2008**

In hopes of improving vital communications to our customers, Dickerson Aggregates, Inc. (DAI) has implemented the following procedure in an effort to eliminate any misunderstanding or confusion in these regards and to confirm that important and vital information is received by you, our valued customer:

All vital information, i.e., price increases, production notices, etc. will be mailed with a cover letter which includes a confirmation section to be executed by an authorized representative of your company and returned to DAI by a specific date. If you do not return this executed confirmation letter by the due date, your account will be put on hold until this executed notice is received.

**In light of the current economic situation, DAI must require our customers to provide Notice to Owner (NTO) and Scheduling information 48 hours before your arrival for material pickup. If the NTO and Scheduling information is not provided as required, you will leave DAI with no choice, but to NOT load your trucks until the required information is provided.**

Attached please find DAI's price list, **effective November 10, 2008**, for our Asphalt Plant 14 facility which is and will continue to be quoted under Force Majeure conditions. Also enclosed is the notice of Scheduling of Material Pickup, the Customer Order Schedule form and the NTO form. Upon execution of this notice, by your authorized company representative, please return to the attention of Selena Dewey at the below address **before November 30, 2008 to prevent the interruption of service.**

Sincerely,

Larry D. Heimer Jr., V. P., Aggregate Operations

# IMPORTANT NOTICE

November 7, 2008

To All Customers:

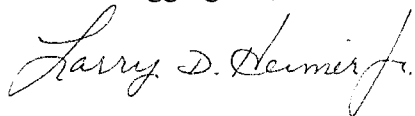

Re: Required Notice to Owner (NTO) and Scheduling of Material Pickup Information

In an effort to better supply our customer's material needs in sufficient quantities, we **MUST REQUIRE** that you give a **48 hour minimum request** prior to your arrival for material pickup, along with the respective **NOTICE TO OWNER INFORMTION** on all new projects that you are supplying materials to. This scheduling will better enable us to have the necessary material on hand to accommodate your requirements. This will also enable our maintenance teams to perform necessary maintenance at times that will not conflict with your needs. We are requiring that your NTO information and scheduling request be placed with our respective plant and/or pit scale house operators by utilizing the attached Scheduling and NTO forms and faxing to the respective fax number(s). **If the NTO and Scheduling information is not provided as required, you will leave DAI with no choice, but to NOT load your trucks until the required information is provided.**

If you have any questions, please contact Larry Heimer, Jr. at (772) 429-4444 ext 4457.

Sincerely,

Dickerson Aggregates, Inc.

Larry D. Heimer, Jr., V. P., Aggregate Operations
